

TEAAM is a non- profit volunteer organization that is made up of parents, family members, educators, and service providers who are interested in Autism Spectrum Disorders and the complex nature of the disorder. Dr. Mark Yeager, one of the co-founders, serves as the Executive Director of TEAAM and his wife Bridgette serves as Chief of Operations. Together they work on behalf of a Board of Directors from all over the state of Mississippi. TEAAM's primary focus is assisting families in Mississippi though its work is well known nationwide. The TEAAM facility is located on Highway 35 South in Mize. Anyone interested in getting involved in helping with this effort is welcome to stop by the office. You can contact Dr. Yeager or his wife, Bridgette at TEAAM by calling 601-733-0090 or toll-free in Mississippi at 1-866-993-2437.
